

"Volunteering has brought me such a great joy. Helping people with my own hands and see the difference one can make in the community; this experience is priceless."

Susy Sugiarta, Finance Accounting & Support Director PT Petro Energy

Happy Hearts Fund Indonesia IMPACT REPORT 2016

www.happyheartsindonesia.org

Since moving into the new classroom, Jesika has improved her writing skills and was honored best student in her class.

Jesika, 5 years old, PAUD Joel Kupang

"We are grateful to have a proper place to teach the kids. Seeing their enthusiasm encourages us to be more creative in feeding their curiosity through learning process."

Orpa, Teacher at PAUD Mawar in Tangerang

The Impact

In 2016 we continued to grow and rebuilt another **17** schools in **4** different project sites. We increased the total number of rebuilt schools to **113** in Indonesia and opened two more projects sites, Sumba and West Timor. More than **1000** students in remote and underprivileged areas were able to study in safe and earthquake resilient schools, equipped with books, toys and educational materials. Thank you to all partners and supporters who impacted the lives of thousands of children and their families and invested in their future.
